

Access to **DANCE MEET Studio 5** will be monitored, so it would be great if you could register. Here is some information that you might find helpful. *Please share with other presenters.*

First and foremost we need to stress that there is **NO FEE** to register. These programs are completely and totally **FREE** to Presenters and invited Artists.

BY FILLING OUT THE ONLINE [FOCUS DANCE PRESENTER REGISTRATION](#) YOU CAN:

- * Register for DANCE MEET -Studio 5 and get access for all three days (Jan 7-9).
- * Request comp tickets to attend the FOCUS DANCE performances at The Joyce
- * Request comp tickets to attend the DANCE GOTHAM performances at the Skirball Center.

In addition, by registering, you will be able to receive emails that will contain programming updates, as well as the mobile phone numbers of staff who will be onsite at The Joyce, Skirball Center and New York City Center to make sure that last minute requests can be taken care of, and so that your participation in FOCUS DANCE goes smoothly.

THERE ARE ALSO A FEW OPTIONAL ITEMS ON THE FORM THAT MAY INTEREST YOU.

- * Sign-up to be one of the Presenters who gets to select which artists will be invited to present formal Pitch Sessions on Sat and Sun at DANCE MEET - Studio 5. Already over 30 dance companies have signed up for the opportunity, but it will be up to presenters to decide which artists get to present their work.
- * You can register for specific showcases and even let the agents know which artists you're interested in seeing.
- * You can register for specific activities at DANCE MEET, such as the FOCUS DANCE workshops, one of the "Meet & Greet" with a specific agency, and even sign up for the late-night receptions hosted by one of our sponsors.
- * You can even sign up to meet with a specific Agent or a featured Artist.

Please remember, these are optional. We know that your APAP schedule will be crazy and will change many times before you arrive in NYC. If you need to keep your schedule fluid that's fine. But do try to at least make sure you let us know if you want to attend performances that require tickets.

THE PRIMARY REASONS WE NEED TO LIMIT ACCESS TO DANCE MEET ARE:

- * --We will have food and drink provided free of charge all day long. The menu is quite good. Technically, if you wanted to, you could have all your meals at DANCE MEET and save some money.
- * --Presenters have unlimited access free of charge. We want you all to use the space as a safe environment to meet with colleagues and artists, or just come and rest your feet before heading to the next event.
- * --Because we want the space to be inviting to Presenters, and conducive to presenter-artist networking, we are purposely limiting access to the space so that it doesn't become too crowded.
- * --However, even with these limitations, we want Presenters to know that you are welcome to bring unregistered guests in with you for meetings or to just relax. We have created this space for you, and we want you to use it!
- * --If you arrive in NYC and you run into a presenter that didn't know about DANCE MEET or didn't register in advance, no worries. We'll have on-site registration in the lobby outside of Studio 5 at New York City Center.

Here's the link again: [FOCUS DANCE PRESENTER REGISTRATION](#) Please consider registering so that we can prepare for your time here in NYC.
